

MariHacks 2026 — Sponsorship One-Pager

Where 300 students build solutions before they pick their majors

■ Marianopolis College, Montreal — April 3–4, 2026

Purpose & Vision

MariHacks is Quebec's longest-running CEGEP hackathon. Since 2017, over 3,000 high school and CEGEP students have tackled real-world challenges in computer science, design, and business. In 2026, we're bringing together 300+ students from across Montreal and beyond—the next generation of engineers, founders, and innovators.

Why Sponsor MariHacks?

- Visibility with future talent: Reach 17–19-year-olds before they choose their majors.
- Access to Montreal's tech foundation: Engage with students from Dawson, Vanier, Brébeuf, Marianopolis, and more.
- Brand alignment: Position your company as a supporter of education, innovation, and entrepreneurship.

Proven Track Record

- Beyond hackathons: In 2025, our team hosted Piñata Pitch, Montreal's largest student pitch competition — attracting 500+ global participants and awarding \$10,000 in prizes. Two local CEGEP students placed among the winners.
- Trusted partners: Since 2017, we've collaborated with Wolfram, MLH, Shopify, Morgan Stanley, Autodesk, and others to deliver high-impact, turnkey sponsorship experiences.

Event Format

- 24-hour hackathon (April 3–4, 2026) with 300+ students
- Sponsor-branded tracks (low-lift: we design challenges, you provide visibility)
- Workshops, mentorship, and judging opportunities
- Prizes: tech gear, gift cards, developer kits

Sponsor Benefits

Brand Visibility:

- Logo on website, shirts, banners, slides, and livestreams
- Mentions across 5,000+ followers on social media and event press coverage

Turnkey Engagement:

- Dedicated prize track named after your company
- Short intro talk or lightning workshop slot (optional)
- Judges/mentors drawn from your team (optional, low commitment)

Talent Access:

- Connect directly with emerging talent: interns, future hires, and startup founders
- Exclusive access to student resumes and alumni network

Sponsorship Packages

Gold — \$7,500: Premium logo placement, named track + prize, speaking slot, resume book, social highlights

Silver — \$5,000: Logo placement, named prize, resume book

Bronze — \$2,500: Logo placement, recognition in closing ceremony

Custom packages available upon request.
